978-236-3010

The program offers intensive academic skill development and fun, confidence-building afternoon activities. It is designed for students in grades 1 - 7 who possess average to superior intelligence, a history of healthy emotional development, and have been diagnosed with a language-based learning disability.

Essential Skills & Strategies

A series of two-week Landmark seminars designed specifically for students who are currently enrolled in public and private high schools, middle schools and colleges and need to develop skills they can apply across the curriculum. Unlike Landmark's traditional programs, these Seminars are designed for students who have not been diagnosed with a language-based learning disability, but seek help with skills and strategies to improve their academic experience.
